

FEMALE SEXUAL DYSFUNCTION, TOWARDS BETTER OUTCOME"

SCIENTIFIC DAY

28TH NOVEMBER 2019
Hilton Alexandria Corniche, Hotel Alexandria

WELCOME MESSAGE

Dear Colleagues

It's with great excitement we welcome you to attend the "Female Sexual Dysfunction, Towards better Outcome" scientific day that will take place in Hilton Alexandria Corniche Hotel - Alexandria on 28th November 2019.

It has been recognized the need for better understanding of female sexuality and sexual needs among mental health care providers and the raising issue of female sexual disorders and its impact on female mental health wellbeing and specifically female sexual health, the need to exchange education, research and practical experience has motivated us to design this scientific day as we believe this will provide a new and exciting experience for you to learn about sexual disorder impact on female's well being.

This activity is relevant for all women's healthcare providers, including psychiatrist, psychologists, gynecologist and all types of mental health providers.

We are looking forward to your active participation and contribution.
