EGYPTIAN PELVIS AND HIP SOCIETY

EPHS

2ND INTERNATIONAL CONFERENCE

11th -14th May 2016

Intercontinental Citystars - Cairo, Egypt

Program

Letter from the President

It's our pleasure to announce the 2nd International Conference for the Egyptian Pelvis and Hip Society.

It is a great achievement that we are going to use the wet lab of Ain Shams Medical School for the 1st time in our conference.

This definitely will add another important dimension to our meeting.

Looking forward to seeing all orthopedic surgeons who would be interested to actively participate in this conference.
