

1st Scientific Day of The Egyptian Clinical Neurophysiology Society (ECNPS)

Friday, 14th October 2016
Pyramisa Hotel, Cairo - Egypt

Welcome Message

“The Egyptian Clinical Neurophysiology Society”, ECNPS, was officially established on June 21st, 2012. Our members come from a broad spectrum of specialties; Clinical Neurophysiology, Neurology, Pediatric Medicine, Physiotherapy. Since we launched our scientific activity, we cared on holding and sharing in the scientific events in Egypt, that our specialty gets better represented regionally. After many practical workshops held to increase practical experience of our members and guests, we are welcoming all of you to our first - theoretical- scientific day. Wishing the day is up to your expectations. We always welcome all feedback and suggestions tips.”
