

1st Scientific Day of The Egyptian Clinical Neurophysiology Society (ECNPS)

Friday 14th October, 2016
Pyramisa Hotel, Cairo - Egypt

Welcome Message

“The Egyptian Clinical Neurophysiology Society”, ECNPS, was officially established on June 21st, 2012. Our members come from a broad spectrum of specialties; Clinical Neurophysiology, Neurology, Pediatric Medicine, Physiotherapy. Since we launched our scientific activity, we cared on holding and sharing in the scientific events in Egypt, that our specialty gets better represented regionally. After many practical workshops held to increase practical experience of our members and guests, we are welcoming all of you to our first - theoretical- scientific day. Wishing the day is up to your expectations. We always welcome all feedback and suggestions tips.”

Ann Ali Abdelkader

**Professor of Clinical Neurophysiology- Faculty of Medicine- Cairo University
& Chairperson of the ECNPS**

ECNPS Board

Prof. Ann Ali Abdel Kader

President of ECNPS

Asst. Prof. Mye Ali Basheer

Secretary General of ECNPS

Members

Prof. Mohamed Ashraf Taha Ghobashy

Prof. Ghada Farag Hafez El-Dorry

Prof. Nashwa Ali Abdel Kader

Prof. Mohamed Ali Abdel Kader

Asst. Prof. Amani Mahmoud Nawito

14th
October 2016

12:30 - 13:00

Registration

12:30- 13:30

13:00 - 13:30

Opening Ceremony

Session I

Motor Neuron Disease

13:30- 15:00

13:30 - 14:15

Update Motor Neuron Disease

Prof. Reinhard Dengler

Professor of Neurology - Hannover Medical School-Treasurer of the IFCN

14:15 - 14:30

Our unit's guidelines for diagnosis of Motor Neuron Disease

Asst. Prof. Eman Maher

Asst. Professor of Clinical Neurophysiology- Faculty of Medicine- Cairo University

14:30 - 15:00

Electrodiagnostic criteria of amyotrophic lateral sclerosis

Prof. Reinhard Dengler

Professor of Neurology - Hannover Medical School-Treasurer of the IFCN

14th
October 2016

Session II
EEG

15:00 - 16:00

- 15:00 - 15:30** **Clinical maturation and video EEG of temporal lobe epilepsy**
Prof. Ann Ali Abdel Kader
Professor of Clinical Neurophysiology- Faculty of Medicine- Cairo University
Chairperson of the ECNPS
- 15:30 - 15:45** **Cell phone's effect on EEG**
Asst. Prof. Radwa Azmy
Asst. Professor of Clinical Neurophysiology- Faculty of Medicine- Cairo University
- 15:45 - 16:00** **Outcome of post cardiopulmonary arrest status, correlation with clinical, EEG and laboratory parameters**
Asst. Prof. Neveen El-Fayoumy
Professor of Clinical Neurophysiology- Faculty of Medicine- Cairo University

16:00 – 16:15

Coffee Break

14th

October 2016

Session III
Non-drug therapies

16:15- 17:15

16:15 - 16:45

Botox: Decades of experience in the MiddleEast

Prof. Mohammad El-Tamawy

Professor of Neurology- Faculty of Medicine-Cairo University

16:45 - 17:15

Our experience with rTMS

Prof. Hala El-Habashy

Professor of Clinical Neurophysiology- Faculty of Medicine- Cairo University

14th
October 2016

Session IV
Evoked Potentials

17:15 - 18:15

- 17:15 - 17:45** **Updates in visual electrophysiology**
Prof. Azza Shehab
Professor of Ophthalmology- Faculty of Medicine- Minia University
- 17:45 - 18:15** **Our experience in Intraoperative monitoring**
Dr. Rania El-Mahdy
Senior Researcher of Clinical Neurophysiology-
Faculty of Medicine- Cairo University
