

1ST

International Tanta Neuropsychiatry Conference

In Collaboration With
Egyptian Society of Neurology, Psychiatry
and Neurosurgery

24th – 25th August 2017 - Intercontinental City Stars, Cairo-Egypt

1st Announcement

Welcome Message

Dear professors and Colleagues

On the behalf of the Tanta Neuropsychiatry Department, I have the pleasure and honor to invite you to actively participate in the 1st Tanta Neuropsychiatry International Conference in collaboration with Egyptian Society of Neurology, Psychiatry and Neurosurgery which will take place in intercontinental City Stars, Cairo, August 24th -25th 2017.

The scientific program is hopefully rich, including updated subjects and recent advances in the different fields of Neurology and Psychiatry.

High quality and clinically relevant lectures will be provided by eminent Neurologists and Psychiatrists from Egypt and other countries. You are cordially invited not only to participate in our conference but also contribute actively to scientific deliberations by presenting your latest scientific data and clinical studies. Welcome again to 1st International Neuropsychiatry Tanta Conference.
