Venue: Learning Resource Center. Kasr Alainy
Hospital. CAIRO, University

Head of vascular surgery unit

Prof. Hussein Khairy

President of the symposium

Prof. Khaled Elhindawy

Welcome Message

It's a pleasure and honour to welcome you again at your second home "Kasr Alainy". Last year your participation at KVS2018 made the meeting very fruitful. Discussions and debates have been very interesting and inspiring. And all of us learned a lot from the great participation of Egypt's best Vascular Surgeons.

KVS2019 is held within the premises of the oldest university hospital in the Middle East and Africa at the Learning Resource Complex. We hope, that you enjoy our the symposium and the two related workshops. The meeting features presentations from many centers inside and outside Egypt. Warm greetings from all staff of Cairo University, and we wish you a fruitful meeting.

Chief of Vascular Surgery Department

Prof. Hussein Khairy

Symposium President

Prof. Khaled Elhindawy

KVS2019 would like to thank Prof. Dr. Mohamed Sharkawy, Prof. of Vascular Surgery in Cairo University and the Egyptian foundation for diabetic foot salvage for their great support to this meeting.
