Dear Colleague,

It will be held in Alexandria, 14th - 16th May, 2015.

I wish to extend my warmest invitation to register and actively participate in the conference.

The scientific program has been carefully designed to include topics of special interest by outstanding authorities, which will be featured in many scientific sessions including plenary sessions, educational courses as well as poster presentations.

You will also have the opportunity to learn about the latest achievements of the various societies, organizations, institutions, hospitals, and companies at the Commercial Exhibition, as well as during symposia, and special meetings organized for this purpose.
