WELCOME MESSAGE

Dear Colleagues,

On behalf of the congress committees, it is with great pride to announce that the 16th International Congress of Psychiatry will be held from 9 to 11 September 2020. Our Theme is

“Integrating Science into Psychiatry for Better Patients’ Outcome”

Biological, social and computer sciences as well as research work added a lot to knowing more and more about psychiatry. We feel confident that our congress will serve as a place of learning where we can all share the latest updates, approaches, and research, continuing with all the best experiences of our eminent clinicians and representing for all participants a treasured personal and professional experience.

Make your plans and arrangements now to be a part of this eminent scientific event. We look forward to welcoming you in the heart of Middle East, Cairo.
