ORGANIZED BY

WELCOME MESSAGE

Dear Colleagues

Owing to the still ongoing Covid-19 situation worldwide, we assure you as always to be extra-cautious. Sharm Derma, as we always promise you, will be divided into two parts. Sharm Derma's Spring 2021 (Part I) conference was held from 24th – 26th March, 2021.

Sharm Derma's Fall conference (Part II) is scheduled to be from 20th – 22nd October, 2021 at Intercontinental CityStars Hotel, Cairo & from 23rd - 24th October, 2021 at Grand Rotana Hotel, Sharm Elsheikh.

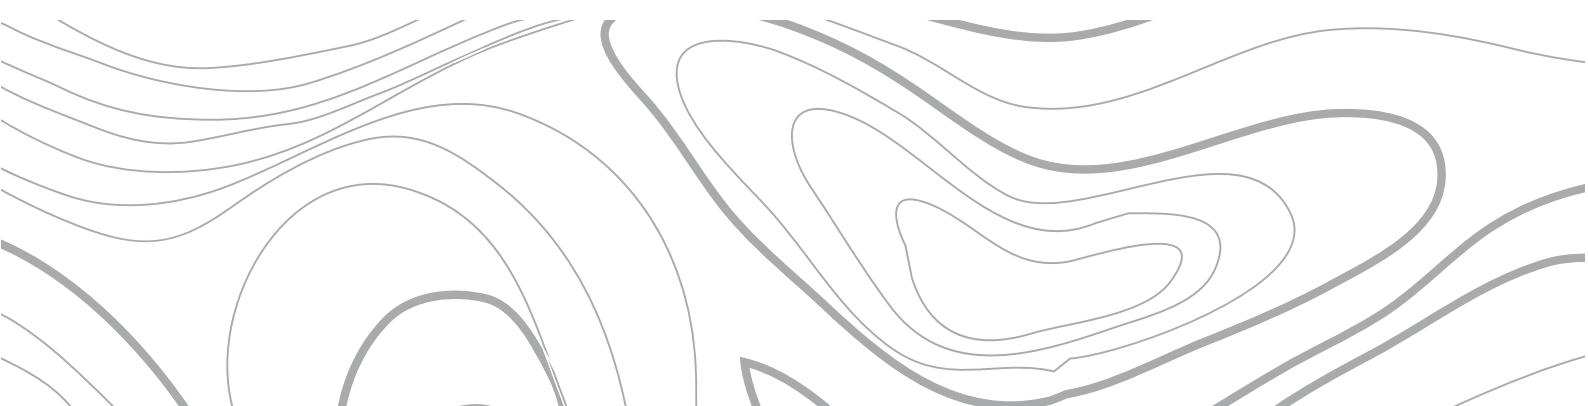

We will be having online streaming at the same time for all who won't be able to attend the conference due to the present circumstances. We have been working on providing a balanced program for Sharm Derma conferences (both Parts I & II) including state-of-the-art in medical and aesthetic dermatology. During our upcoming conference, as always, we promise to provide you with an exceptionally valuable experience, hoping that you will enjoy our meticulously organized highly rich scientific content.

The courses are designed for different levels of experience and are meant to provide the basic, as well as the latest advances in every sub-specialty in dermatology. Participation of an enormous number of the most renowned speakers from all over the world will allow for the fruitful sharing of knowledge and experience. Hope these hard times end & we resume our normal lives here in Egypt.
