

16th ANNUAL MEETING OF THE EVC

Vascular Aneurysms, the Bench Marks

Under patronage Of
Vascular society of Egypt (VSE)

13th – 16th
January 2022

Cairo Marriott Hotel

Welcome Message

Dear Vascular Community:

Almost 20 years now since the first beginning of the Egyptian Vascular Club as a part of the Vascular Society of Egypt concentrating on young vascular fellows preparing them as they are the future stars in Vascular Surgery.

Just few months ago, we revived the club by a new vision serving these rising stars in many aspects. We started by the continuous medical education through direct exposure to the experts by hands on training sessions in the cadaver lab. and direct face to face interactive discussions, case scenarios presentations and problem solving questions. So; we achieved this for Carotid Endarterectomy and Abdominal Aortic Surgery Workshops. Now; running on the same track, and on behalf of the whole board of the EVC , I announce the first EVC Congress in the New Vision Era that will concentrate on the Bench Marks in Management of all types and categories of Vascular Aneurysms touching all aspects of this topic in state of the art lectures, review articles, researches, flash presentations, case scenarios and poster presentations.

Waiting for you all in the beginning of 2022,
in Marriot Hotel - Cairo on next January 13-16th.
and I expect a very successful event by your active participation.

Mostafa Soliman

Mostafa Soliman

President of EVC
