# Welcome Message

On behalf of the E.V.C New Vision, I am honored and delighted to invite you to share and participate in the 2<sup>nd</sup> E.V.C New Vision conference, which will be held in the stunning Hurghada city from 1<sup>st</sup>- 4<sup>th</sup> March 2023.

The program has already shaped up to be excellent and the networking opportunity will be in deed outstanding.

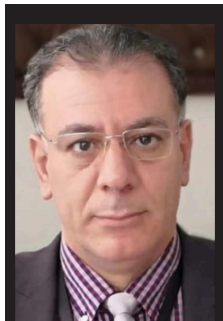

The 2<sup>nd</sup> E.V.C New vision is a specially designed cluster conference with a theme accelerating Innovations of endovascular and vascular surgery managements.

The backdrop of the beautiful and historic city of Hurghada will add to the pleasure of the meeting and provide lasting memories beyond the science.

I add my best wishes for a successful and fruitful conference and my thanks to all organizers.

We are looking forward to an excellent meeting with great scientists from different countries around the world and sharing new and exciting results in our vascular field.

I'm pretty sure - this conference will be stimulating and productive. Personally, I hope that you will very much enjoy it and benefit. Do not miss out on taking part
