Faculty of Medicine Aswan University

Welcome Message

On behalf of the Egyptian Society of Neurology, Psychiatry and Neurosurgery, in collaboration with the Neuropsychiatry Department, Faculty of Medicine, Aswan University, We have the honor and pleasure to invite you to participate in this congress, which will take place in the Pyramisa Isis Island Resort, Aswan, from 6th to 9th January 2016.

Together with my colleagues and the large number of eminent invited specialists who have offered to contribute to the meeting, we hope that this prestigious "International Congress of Modern Trends in the management of Neuropsychiatric Disorders" will provide a forum for fruitful exchange and constructive discussions.

The rich scientific program will include updates in the management of a variety of neurological and psychiatric disorders using novel methods of non-invasive brain stimulation and other interventional neurology, neurosurgery and pharmacology. The beautiful location coupled with the extraordinary culture and history of Aswan will provide an ideal location to strengthen cooperation between specialists both scientifically as well as socially.
